Urology Cancer Update Evening **for GPs, GP trainees and Practice Nurses**

Wednesday 1st November 7.30pm – 9pm (hot food from 7pm)

BMI Hampshire Clinic, Basing Road, Basingstoke, Hampshire, RG24 7AL

Mr Richard Hindley, Consultant Urologist HHFT
Mr Tim Nedas, Consultant Urologist HHFT

- A general update on Prostate Cancer
- How to manage PSA requests..
- Should you repeat the PSA or refer the patient?
- Microscopic haematuria – what next?
- and any other queries about urological cancer

This event is FREE of charge, supported by the BMI Hampshire Clinic, Macmillan Primary Care workforce of Wessex, and our local Consultant Urologists. The aim is to share expert knowledge through case-based discussions, and to support primary care colleagues to identify patients with suspected urological cancers, and refer appropriately.

Please email stephanie.witts@nhs.net to book your place.
